Nature Play Area

We are pleased to announce that the Nature Play Area that is planned for the area of the School north of the primary playground will be fully developed this year. There is a concept design for the area on display in the Front Office. If you have any natural materials that would be suited to this area that you are willing to donate please contact the School. We are particularly looking for large straight logs, over 1 meter long and 10 cm or more thick.

Coin Race

Thanks to all those who donated coins and helped out with the Coin Race. It was a fun event and raised significant money towards installing 2 more cold water drinking fountains in the School. A special thanks to Cheryllynn Jurgens, Taryn Hughes, Lisa Aplin and Kylie Evans who made cupcakes to sell on the day. The race was won by Room 22 with a line of coins that was 21.3 meters long! This will be a challenging record to beat in future years.

Mid-Year Reports

On Thursday your child will bring home their mid-year school report. Please read it carefully as it has a lot of information about how well your child is achieving this year. In week 3 of next term you will be offered a family-teacher interview. This is an opportunity to discuss the report with your child’s class teacher.

Korfball Carnival

On Friday 19th June, Year 6 and 7 students represented our school in a Korfball Carnival with North & North Eastern schools.

We fielded 3 teams and Teams 1 and 2 were undefeated and Team 3 tied one game and won the rest.

Once again, Mr Butler did an outstanding job to get us trained and ready for the competition.

We got to make new friends and caught up with friends from our sport clubs.

At least it didn’t rain!

The last game was the most competitive!
DANCE Term 2

“Creativity now is as important as literacy, and we should treat it with the same status.” (Sir Ken Robinson)

Welcome to the new students that have joined us this term! Over the past 9 weeks the students and I have continued our Arts rich learning through dance. Building on from term one, we have been learning about Body (Anatomy and form), Relationships (building bridges, relating with others and positive qualities of a healthy relationship), and Literacy (writing stories). We have started our own ‘Flash Mob’ dance (Spontaneous positive group dance). The whole school is involved so look out for it coming your way soon.

Some EEPS staff and myself attended the Come Out Festival, (Adelaide Children’s Festival) Professional Learning events and some classes were involved in workshops or seeing a performance. We hope to create more opportunities like this later in the year.

As part of problem solving in the ‘Habits of mind’ each class now has their own ‘Power name’. Well done students and teachers! This has been a process of truly working together for a unified outcome. The students were encouraged to agree, disagree, discuss and decide each class’s unique positive qualities. Please see the ‘Stars of the week’ and class ‘Power names’ in the newsletter.

If you walk past our Creative Arts space you will see our huge positivity ‘wall of images’ growing every week. Building on our learning of ‘Positive thinking, positive action’ for the ‘Habits of Mind’. Please celebrate with your child their achievements as students take great pride in being able to select a picture for this wall if they are ‘Star of the week’ for their class. It’s not about being the best dancer but demonstrating various skills in co-operation, team work, participation, enthusiasm, listening, creative thinking and more.

Alongside the students learning of the Arts through a dance focus, the EEPS teachers have begun facilitating parts of the dance sessions. This will continue throughout the year and build the skills for teachers to continue this Arts rich teaching and learning beyond 2015.

Dance and movement is wonderful for the physical, social, emotional and cognitive development of each and every student at EEPS. I look forward to sharing more learning with the students throughout term 3 and showing you some of our achievements in a presentation at the end of the year.

Are you curious as to what leaning in and through the Arts has to offer your child? Check out some truly inspirational work by Sir Ken Robinson, a leading advocate for Arts Education and creativity. http://www.ted.com/talks/ken_robinson_says_schools_kill_creativity?language=en

**We are OPEN! Come and Have Fun with us!**

Hi Families,

The children Neil and I have had a fantastic couple of weeks getting to know each other. We have been exploring all of our new resources with the board games being the most popular activities amongst the group at this stage. The children have settled in really well and are excited when a new family visits and they can show the children around our space.

To be part of the Holiday Fun with Camp Australia jump online and book now to have “An Out Of This World Experience”

We have vacancies for both BSC and ASC; our hours of operation are below.

**Before School Care:** 7am – 8:30am

**After School Care:** 3pm – 6pm

At Camp Australia we encourage you all to enrol your child/ren with us in case of emergencies that are beyond your control. We offer a range of care options; casual, permanent and emergency / on the day bookings. Once you are registered you can manage all your bookings online.

Kind Regards

Rhiannon
